TO WHOM IT MAY CONCERN

M/s One Source Group of Companies was engaged by us as Project Management Consultants for the Execution and Supervision of the Air India Sats building of the Prestigious Airport Project Terminal 1 at Bangalore.

We would like to place on record our appreciation of M/s One Source for the professional competence demonstrated by them in providing support to us for the above-mentioned project. They were able to quickly bring on board appropriate technical and supervisory personnel for effective onsite deployment as well as excellent back office support in planning, procurement and organizing a team of highly competent technical staff at their disposal. They also completed the assigned project within the scheduled time with quality.

They worked together with our team in a very cohesive and interactive manner to provide high quality support and value-added inputs in procurement and execution of full building including structure and services and various finishing packages for the project.

This letter is issued in good faith and without prejudice to the contract with M/s One Source.
